

Price List for 21st Century Lab

Sl no	Description	Qty	Price
Technology Lab- Robotics-Automation, IOT kits, Arduino, and Sensor kits			
1	Plug and Play Electronic Blocks to learn Automation	1 Set	72,800 +18% GST
2	STEM Robotics and IOT-based Home Automation Lab with Coding	1 Set	46,000 +18% GST
3	Gears, Mechanisms, Simple machines, and Simple Robots	1 Set	15,375 +18% GST
4	Tool kit and Consumables – Basic Tool to design projects	1 Set	15,950 +18% GST
New Age STEM Lab			
5	Discovery Lab: Science Lab to learn through curriculum- based fun experiments Physics Lab - Maker Scientist Chemistry Lab - Material Scientist Biology & Earth Science - Nature Scientist	1 Set	79,000 +18% GST
6	Maker Space: Make and Break Project Kits on Basics Physics, Electronics, and Design Thinking	1 Set	50,500+18% GST
Teacher Training and Ecosystem Building			
7	Online Learning Management System and Training (One Offline Training for 2 days and Online support and assessment plan for 2 Years)	1 Set	1,20,000 +18% GST
